Q: What is an MPO?

A: MPO= Music Parent Organization. In this case: the Owen J. Roberts MPO – Band Chapter!

Thank you for your interest in supporting the 2018/2019 OJR Band. The OJR band program is truly all about the students. It's about giving them an opportunity to excel. It's about building friendships. It's about working hard and having fun together. It's about a creative outlet for students and a means for them to learn the value of teamwork. The band experience will be one of your child's most memorable part of their high school years!

The OJR music program is also about parents and teachers coming together to benefit students – and each other. And that's where you come in.

The outstanding OJR band music program is made possible by the volunteer efforts of parents. Most parents volunteer a few hours here and there to support the program. Some love being around the students and volunteer to chaperone events, help move equipment and help keep the uniforms looking new. Others prefer to work behind the scenes, coordinating a fundraiser, working in the concession stand, making phone calls or helping in many other areas. Find out how you can help, and when you do, you'll see that parents can have fun and build friendships too! If you are interested in supporting the band program, please feel free to reach out to any of our officers or committee chairpersons. There's always an opportunity to support the band!
